Equity Statement for Ukrainian Canadian Social Services (UCSS):

At UCSS, we are committed to fostering a welcoming and inclusive environment for all individuals, regardless of age, gender, sexual orientation, religion, background, or any other characteristic. We believe in the principles of equity, diversity, and inclusion and strive to ensure that everyone in our community has equal access to opportunities and resources to thrive.

We acknowledge that systemic barriers exist that may create inequalities, and we are dedicated to addressing these barriers through ongoing efforts to promote equity in all aspects of our work. We value the diverse perspectives and experiences of all individuals and are committed to creating a supportive and inclusive space for Ukrainian newcomers and community members.

UCSS does not discriminate against anyone based on any characteristic and we are committed to treating all individuals with respect, dignity, and fairness. We believe that by embracing diversity and promoting equity, we can create a stronger and more connected community where everyone has the opportunity to succeed.

If you have any feedback or suggestions on how we can further promote equity within UCSS, please do not hesitate to reach out to us. We are continuously striving to improve and ensure that our organization reflects the values of equity, diversity, and inclusion.
